Experience

Web Designer, Starn Marketing Group; Meadville, PA — 2005-Present

Sole web designer and developer for full-service advertising agency. Responsible for creating custom website designs (both visual design and web-standards based development), responding to client requests, and user training. Consistently successful in meeting or exceeding expectations of clients and superiors while working within tight time and budget constraints.

Web Designer / Owner, eight16 Design LLC; Titusville, PA — 2009-Present

Owner, designer, and developer for one-man design studio. Responsible for all aspects of running a design business - from lead generation and sales to design, development, and delivery of finished product.

Webmaster / Sales, The Navigation Company; Conneaut Lake, PA — 2003-2005

Responsible for all aspects of content creation and management for the region's premier boat dealer and leader in online sales.

Senior Associate - Consulting Services, Rice Information, Clarion, PA — 2001-2003

Senior associate in charge of managing web design, networking, and consulting services for independently-owned IT company.
